Dawson Creek & District Chamber of Commerce

The Dawson Creek Chamber of Commerce is the salesman for the community and business, unceasingly promoting their products and service, and at the same time is their watchdog, protecting their interest particularly in the political arena. The united voice of the Dawson Creek and District Chamber has often proven effective and beneficial to businesses and residents of our community where a single voice can go unheard. The benefit of belonging to the Chamber is full-time representation and year-round results. Our objective is to advance the industrial, commercial, and civic interests of the City of Dawson Creek and the surrounding District, and to support the interests of its citizens in Municipal, Provincial and National issues.

Paul Dampier Community Gardens

Mentor Saturdays - from May 17th to August 30th from 1 - 3 pm in the gardens. Each week a different garden mentor from the community will be available to answer questions and give tips on successful gardening in the north. Public is welcome to attend!

Meetings - to follow the mentoring at 3 pm on Saturdays in the gardens.

In 2008 we will begin to create a special "specimen garden" where wildflowers, grasses and shrubs native to the Peace Country and Canadian Prairies will be displayed and labeled in an educational display. We hope that this might serve as a useful resource for anyone interested in establishing their own native gardens or for anyone wanting to learn more about our local flora.

The gardens are located on the Northern Lights College Campus - Drop by for a visit!

Final Rule Paint-Tag

Final Rule Paint-Tag opened for business in 1992. Currently we have 9 fields offering a wide variety of challenging paintball games. The fields range in size from 130 ft x 200 ft to 275ft x 615 ft to fit your group or party. Final Rule Paint-Tag offers picnic tables, fire pit and shelters for player comfort. Safety is our primary concern. We have safety fence surrounding the staging area on three sides and enforce the marker safety, barrel sock and headgear rules. We believe that paintball is a sport and should not be connected with any promotion towards violence. We run paintball games for groups and businesses to play in a safe and fun enviroment. We have had players as young as 10 years old and the oldest to date was 63. Northbound: 8 miles up the Alaska Highway, turn right, then left at Road 227, follow signs.
